# REPORT

## MORELIA'S COMMUNITY

All Glories to Gurudev,  
Srila Bhakti Sundar Govinda Dev-Goswami Maharaj.

As a service to the mission of our dear Gurudev, we send this report about the programme of the youth section in the Community of Morelia Michoacán, Mexico.

In fact, we have to congratulate the young devotees of Morelia because every Saturday they meet. In the morning begins their program: they go to the market to buy bhoga for a menu that previously an adult devotee made. Then they are taught to make preparations for the offering. Afterwards we have Arati with devotional songs, at the end of it, a young gives the class and comments on the subject. Finally, we honor the prasadam which was offered at the Arati ceremony.

In addition, out of their own initiative on Sunday they decided to go alone to do Harinam in the center of the city of Morelia. The Sunday program cheered up with the visit of Madhu Gopal das from the community of Tijuana, along with his cousin Amal, Christian, as well as Rama Priya (6 years old) who sang and danced.

The Harinam was great, because they had a chance to sing on a platform with an auditorium, sound, etc. Those present listened attentively and applauded at the end. Then continuing the Harinam by the main avenue of Morelia, they were joined by a large group of youths, which increased the enthusiasm of all. All this was due to the mercy of Gurudev.. Jay Gurudev!

The young devotees are: Rama Priya d.d., Bhagavan Das' daughter, Amal Krisna, Gour Narayan, Gadadhar, Rasa Moy, Hari Gopal, Madhu Gopal d., and Christian Ayala Rendon, cousin of Amal and Rasa Moy.

You can see a video of that Harinam night in the following link.
